

FIRE-BALL[®] PUMPS

The industry standard in lubrication equipment for outstanding performance and reliability

LUBRICATION

PROVEN QUALITY. LEADING TECHNOLOGY.

The Industry's Most Trusted Piston Pump

FIRE-BALL

Unmatched reliability and durability!

For nearly 50 years, Graco's Fire-Ball pumps have been a mainstay in the lubrication marketplace for durability and long life. A package including a dependable Fire-Ball is sure to last!

Designed for applications requiring continuous duty operation, Graco Fire-Ball pumps repeatedly outperform and outlast the competition!

Install it and forget about it!

Reduce downtime with Fire-Ball pumps from Graco! With so many unique maintenance-saving features, these pumps are built to ultimately save you money. Whether you are pumping oil or grease for low, medium or high volume applications, a trusty Fire-Ball pump gets the job done!

TYPICAL USERS

- Fast lubes
- Car/truck dealerships
- Municipalities and transits
- Construction equipment and fleet maintenance shops
- Lube trucks
- Manufacturing plants
- General service shops

TYPICAL FLUIDS

- Lubricating grease
- Motor oil
- Synthetic oil
- Hydraulic oil
- Gear oil
- Automatic transmission fluid
- Undercoating
- Rustproofing
- Sound deadening

THE LONGEST WARRANTY AVAILABLE IN THE INDUSTRY!

Graco is so confident in the design of the Fire-Ball product line and the manufacturing process, we offer a 30-year limited warranty on many of the Fire-Ball designs. This is the strongest statement of reliability in our industry!

FIRE-BALL

Features and Benefits

CORROSION-RESISTANT

Corrosion-resistant design utilizes liquid salt nitriding, nickel plating, stainless steel, aluminum and chrome on key components for longer life

FEWER REPAIRS

Few moving parts in the air motor assembly means less downtime and low repair cost

REDUCED DOWNTIME

Displacement rods have minimal wear due to a proprietary Graco manufacturing process

ELIMINATE ICING

Large air porting design provides efficient use of compressed air supply for continuous pump operation without icing

DURABLE

Thick cast aluminum air motor housing offers unmatched durability

EXTENDED SEAL LIFE

- *In-line pump design aligns the air motor piston and fluid piston rods to maximize seal life*
- *Throat packings have a u-cup design with a hardened steel displacement rod to minimize wear*
- *Non-metallic poppet valves offer positive sealing performance, even with contaminated "dirty" air environments for long life without repair*

BUILT TO LAST!

Spend less time and money on service calls with a Fire-Ball pump from Graco! Constructed to withstand the toughest environments, Fire-Ball pumps have fewer moving parts for less repair and minimal downtime. Choose this classic Fire-Ball and you'll be guaranteed many years of reliable service.

Select the pump that's right for you

MINI FIRE-BALL 225

IDEAL FOR: High pressure, low volume oil and grease dispense for automotive dealerships, fast lube centers and service shops.

FIRE-BALL 300

IDEAL FOR: High pressure grease dispense and fluid oil transfer in medium volume applications.

FIRE-BALL 425

IDEAL FOR: High pressure grease dispense or fluid oil transfer in high volume and longer distance applications such as truck shop service fleet facilities and in-plant applications.

FIRE-BALL OIL PUMPS

MODEL/RATIO	FLUID FLOW cycles/gallon (cycles/liter)	FLUID FLOW @ 80 CPM gpm (lpm)	TYPICAL OIL VOLUME PUMPED/YEAR gallons (liter)	PUMPING DISTANCE GUIDELINE feet (meters)

Graco has the total package!

INDUSTRY LEADING DISTRIBUTION NETWORK

Our knowledgeable worldwide distribution network provides easy access to professionals who understand the unique needs of your business and who are able to recommend the equipment that best fits your application.

TOTAL CUSTOMER SUPPORT

Leading the industry with "total customer support", the Graco Lubrication Equipment Division offers you a dedicated Customer Support Team.

INNOVATIVE PRODUCT SOLUTIONS

Graco offers a wide variety of products that support your lubrication business. Our selection of quality pumps, meters and hose reels will not only make your business run more smoothly, but save you money over time.

Invest in the best and save!

A durable Fire-Ball pump not only handles a variety of jobs with ease, it offers exceptional cost savings that are hard to beat! That's why the Fire-Ball is the most trusted pump in the industry. Our pumps are built to last. Order yours today, and start seeing the savings of a Fire-Ball!

RETURN-ON-INVESTMENT

Use this exclusive cost of ownership analysis tool to see how much you can save due to the reliability and serviceability of the Graco Fire-Ball pumps.

	EXAMPLE ESTIMATE		YOUR ESTIMATE	
	Competitive pump	Graco Fire-Ball pump	Enter Your Labor Information Here	Graco Fire-Ball pump

ABOUT GRACO

PROVEN QUALITY. LEADING TECHNOLOGY.

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The company's success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with specialized distributors, Graco offers systems, products and technology which set the quality standards in a wide range of fluid handling solutions. Graco provides equipment for lubrication, spray finishing, protective coating, paint circulation, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Graco's ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.
